

1. Begin by opening the Safari/Internet application on your device.

Search for: **Texas Child Care Minimum Standards**

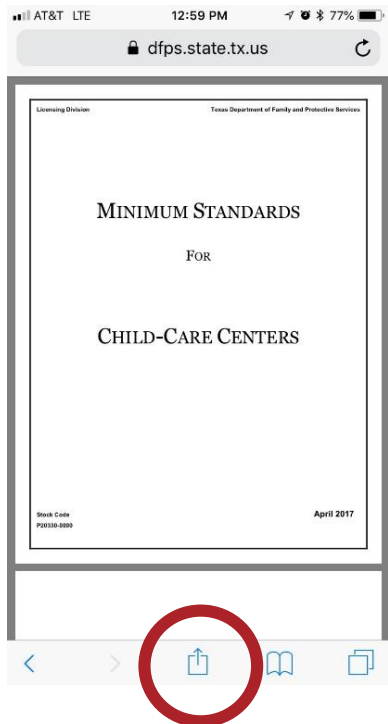

2. Scroll to the bottom of the page and select the blue plus sign to expand the menu.

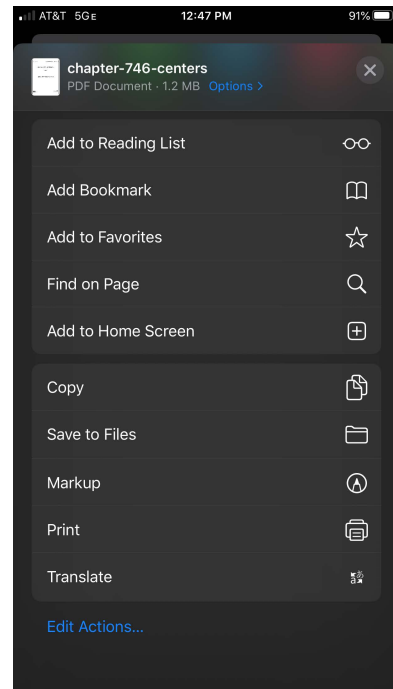

Select the standards that you want to download.

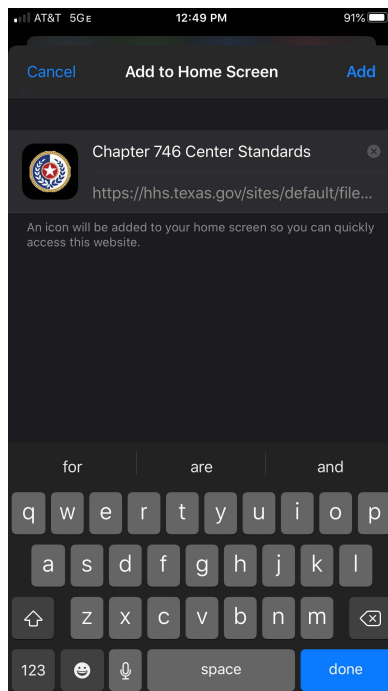

1. After the standards open, long select the box with the arrow to display the options.

2. Next scroll down to find the option to select "Add to Home Screen".

3. Name your standards and select "Add".

4. The icon will now be available on your home screen.
